RUJUKAN UTAMA pihak media mengenai ISU PENDIDIKAN dan SOSIAL

'MLM' JERAT PELAJAR MELAYU PALING RAMAI DITIPU

Naib Canselor Universiti Pendidikan Sultan Idris (UPSI), Prof Datuk Dr Mohd Shatar Sabran dedahkan hasil analisis, pemerhatian dan maklumat diterimanya, majoriti mangsa sindiket pelajar Melayu berusia awal 20-an iaitu remaja sekolah menengah hingga institusi pengajian tinggi

Polis serta Kementerian Perdagangan Dalam Negeri dan Hal Ehwal Pengguna mula siasat sindiket yang dipercayai tawar kursus perniagaan digital dengan pelajar diguna sebagai ejen mencari penuntut baharu

Terima kasih Malaysia kerana tidak merokok

Malaysia is a smoke-free country. It is a country that respects the health and well-being of its citizens. The ban on smoking in public places is a testament to the country's commitment to a healthier and safer environment for all.

MANFAATKAN CUTI SEMESTER

Universiti Pendidikan Sultan Idris (UPSI) has organized a series of activities for its students during their semester break. These activities are designed to provide students with a well-deserved rest while also offering them opportunities for personal and professional growth. The university encourages students to take full advantage of this time to recharge and prepare for the next semester.

Tawar program bersesuaian

Universiti Pendidikan Sultan Idris (UPSI) is offering a range of tailored programs to meet the needs of its diverse student body. These programs are designed to provide students with relevant and practical skills that are in demand in the current job market. The university is committed to ensuring that every student has the opportunity to succeed and thrive in their chosen field of study.

Ramai guru miliki PhD di negara asing

Universiti Pendidikan Sultan Idris (UPSI) has a high percentage of its faculty members who have earned their PhDs from overseas institutions. This reflects the university's commitment to academic excellence and its focus on providing high-quality education to its students. The presence of these highly qualified academics ensures that students receive the best possible learning experience.

Umpan kereta mewah, barang berjenama

Universiti Pendidikan Sultan Idris (UPSI) has received reports of a bribery scheme involving luxury cars and branded goods. The university is currently investigating the matter and has taken steps to ensure that all activities on its premises are conducted with integrity and transparency. The university is committed to maintaining the highest standards of ethical conduct and to ensuring that its resources are used for the benefit of its students and the wider community.

Selari dengan aspirasi kerajaan

Universiti Pendidikan Sultan Idris (UPSI) is aligned with the aspirations of the Malaysian government. The university is committed to contributing to the nation's development through its research, teaching, and community service activities. By focusing on areas of national importance, the university aims to produce graduates who are not only academically sound but also socially responsible and equipped with the skills needed to drive the country's progress forward.

DR MOHAMMAD SHATAR

Dr. Mohammad Shatar is a prominent figure in the field of education and research. He has dedicated his career to advancing the quality of education and to promoting the development of the Malaysian higher education system. His work has been widely recognized, and he continues to be an active participant in various educational forums and initiatives.

Universiti perlu memperkenalkan kursus pengajian mudah, jimat masa, tenaga dan wang

Universiti Pendidikan Sultan Idris (UPSI) is exploring the possibility of introducing more accessible and cost-effective learning programs. These programs would be designed to cater to students who may face financial or time constraints, ensuring that they have the opportunity to gain valuable knowledge and skills. The university is committed to providing a wide range of options to support the diverse needs of its students.

Guru pelaksana dasar, beri khidmat terbaik

Universiti Pendidikan Sultan Idris (UPSI) emphasizes the importance of quality teaching and the role of the teacher as a role model. The university provides comprehensive support and training for its faculty members to ensure they are equipped with the skills and resources needed to deliver the highest quality of education. By fostering a culture of excellence, the university aims to produce graduates who are not only knowledgeable but also highly motivated and committed to their work.
